**Abstract attached: Mood Disorders Associated With Increased Consumption of Empty Calorie Foods Among University Students In Karachi**

**Dear Dr. Sohail Imran Khan**

I would like to seek your scholarly cooperation and request to devote some of your precious time for evaluation of a research paper , **“Mood Disorders Associated With Increased Consumption of Empty Calorie Foods Among University Students In Karachi”** received for publication in our Pakistan Journal of Scientific and Industrial Research (PJSIR). The abstract of the article ONLY is being attached just to confirm either you are available . If you are, I will send you the complete paper.

You may be heavily preoccupied then I would be grateful if you suggest name, address and e-mail of any of your Colleagues/Department, who is conversant with this field.

With best regards

Yours sincerely

(Shahida Begum)
